

CLEAR-CLEAN

All-Surface Cleaner

CLEAR-CLEAN is a revolutionary heavy-duty, all-surface cleaner that is both powerful and user friendly. It meets the EPA/DfE recommendations and offers improved health and environmental characteristics. It contains no inorganic phosphates, hazardous solvents, or environmentally harmful surfactants. Instead, it uses a proprietary blend of surfactants, solvents, pH adjustors, and other ingredients, which exhibit more positive environmental and human health characteristics than conventional cleaning formulations. The unique formulation makes it a powerful cleaner, yet safe on all surfaces and mild for the user. CLEAR-CLEAN is free rinsing and leaves no residue, even on glass and highly polished metals.

- ✓ **Recognized by the EPA/DfE as a “Green” Product**
- ✓ **Highly Dilutable**
- ✓ **Non-Caustic**
- ✓ **Safe on All Surfaces**
- ✓ **User and Environmental Friendly**

APPLICATIONS

CLEAR-CLEAN is safe to use on all surfaces and is mild for the user. Its powerful formulation works on a variety of soils, including grease, oil, dirt, grime, sludge, etc.

DIRECTIONS

Light-Duty Cleaning - Dilute one part CLEAR-CLEAN with 20-30 parts water. Apply to surface with a sprayer, sponge or cloth and rinse. Wipe dry or allow to air dry. CLEAR-CLEAN leaves no residue.

Medium-Duty Cleaning - Dilute one part CLEAR-CLEAN with 15-20 parts water. Apply to surface and agitate, if needed. Rinse and let dry.

Heavy-Duty Cleaning - Dilute one part CLEAR-CLEAN with 5-10 parts water. Apply to surface, let soak 3-5 minutes, then agitate and rinse.

Cleaning Glass or Mirrors - Dilute one part CLEAR-CLEAN with 100 parts water. Spray onto surface and wipe with a clean, dry cloth.

{Dilute as follows with water}

Trucks (to remove dirt & carbon)	20-1
Boats	40-1
Pressure Washers	50-1
Air Conditioning Coils & Filters	40-1
Engines & Motors	20-1
Mop Water for Floor Cleaning	40-1
Plexiglass & Plastic	50-1
Walls, Doors, Machinery, Stainless Steel, Chrome	30 or 40-1
Rug Shampoo	50-1
Automatic Floor Machine	180-1
Concrete Floors	10-1
Carpets, as Spot Remover	30-1
Buses	40-1
Upholstery	50-1
Vinyl Tops	40-1
Aluminum Surfaces	40-1

TECHNICAL DATA

Composition:	Detergents and soil suspending agents
Appearance:	Clear, colorless liquid
Odor:	Mild
pH (concentrate):	9.0
Specific Gravity	1.01
Density:	8.42 lbs/gal.

Recognized for Safer Chemistry
