✓ **Contains Pumice, Aloe Vera, Glycerine, Vitamin E, Jojoba, Wheat Germ Extract and a Bacteriostat**

✓ **Pleasant Citrus Fragrance**

...setting performance  
standards worldwide...

## APPLICATIONS

HAND-SPRING II citrus hand cleaner comes equipped with pumice to cut through the toughest soils and five skin conditioners to keep hands smooth and soft. It is powerful enough to clean the dirtiest hands, yet mild enough for sensitive skin.

HAND-SPRING II quickly removes grease, tar, ink, paint, tobacco, gum, carbon, adhesives, grass stains, crayon marks, gasket cement, etc., from hands. Heavy equipment operators, diesel mechanics, office employees, food service employees, as well as automotive shops, print shops and industrial operations all use HAND-SPRING II.

## DIRECTIONS

Use with or without water. Place a small amount of HAND-SPRING II in the palm of the hand. Rub into soiled skin, then rinse well with water. Without water, rub into soiled skin and then wipe clean and dry.
