APPLICATIONS

HANG-5 hand cleaner has the fresh scent of citrus. HANG-5's citrus-based formula is pH balanced, very effective at cleaning tough soils, biodegradable and petroleum solvent free to address environmental concerns. This premium, natural citrus cleansing agent safely and effectively dissolves grease, paints, inks and many other hard to remove soils. HANG-5 contains a bacteriostat and is fortified with five conditioners, including glycerine, aloe vera, vitamin E, jojoba and wheat germ extract to help keep hands soft and smooth.

DIRECTIONS

Apply a small portion of HANG-5 to hands and rub gently. Rinse with water and dry. If no water is available, wipe with clean cloth or paper towel.
