Soil Stripper**

...setting performance
standards worldwide...

- ✓ **For Use on: vinyl, terazzo,
quarry tile, ceramic wall tile,
vinyl tile, rubber, cement
and grout joints**
- ✓ **Economical Jell Formula**
- ✓ **Versatile**
- ✓ **Non-flammable**

APPLICATIONS

JACK the STRIPPER is a jelled, heavy-duty aerosol cleaner designed to remove wax and soils from baseboards and other vertical surfaces. Product does not run-off vertical surfaces as other cleaners can.

Use on vinyl, terrazzo, quarry tile, ceramic wall tile, vinyl tile, rubber, cement and grout joints.

DIRECTIONS

Shake can well. Hold can upside down. Spray 4-6 inches from baseboard of floor surface. Wipe off any overspray. Wait 3-5 minutes. Wipe surface with a cleansing pad or sponge. Rinse surface with clean warm water.
