# APPLICATIONS

The SHOW-OFF Waterless Wash & Wax One-Step System is safe for all types of paint, including clear-coat. It cleans dirt, grime, bugs, road haze, tar, bird droppings and tree sap and works especially well on graffiti. SHOW-OFF removes paint oxidation and paint overspray - safely and effectively. It requires no water - simply spray on, spread evenly and wipe off for a SHOW-OFF shine!

SHOW-OFF is ideal for use on boat hulls, brightwork, acrylic and glass...even waterline scum. Brake dust build-up is gone in seconds! Your wheels stay clean & bright for weeks. Great to use on tractor trailers, from exhaust pipe residue to every part of the rig. SHOW-OFF is especially great to remove graffiti!

## DIRECTIONS

- 1. Important:** Shake bottle well to activate SHOW-OFF's Waterless Wash & Wax One-Step System.
- 2.** Remove heavy dirt build-up from surface. Water is not necessary.
- 3.** Spray SHOW-OFF Waterless Wash & Wax on the vehicle...right over the dirt, grime and bug marks.
- 4.** Wipe with a soft, clean, dry cotton cloth. SHOW-OFF's Waterless Wash & Wax encapsulates the dirt and grime to prevent scratching your vehicle's finish.
- 5.** Wipe to a hard, protective SHOW-OFF shine with another soft, clean, dry cotton cloth. Using a buffer will provide an even deeper shine. Use only as directed. Do not use on floors, fabric, woven materials or motorcycle seats (may cause slipping).
