UNIVERSAL

Liquid Hand & Body Cleanser

Areas of Use:

- **Factories**
- **Warehouses**
- **Industrial Plants**
- **Garages**
- **Municipalities**
- **Correctional Facilities**
- **Anywhere a Hand & Body Cleanser is Needed**

UNIVERSAL liquid hand & body cleanser effectively removes stubborn grime and stains quickly...without scrubbing or brushing. Its gentle action leaves skin healthy and protected, not irritated. UNIVERSAL conditions skin by counteracting the defatting and "burning" properties of liquid detergents. It is ideal for use in the shop and in the shower. UNIVERSAL is tough on grease, oil, tar, dyes and carbon black.

...setting performance
standards worldwide...

- ✓ **Non-Abrasive**
- ✓ **Highly Concentrated**
- ✓ **Excellent Cleanser**
- ✓ **Mild & Safe To Skin**

APPLICATIONS

UNIVERSAL is a highly concentrated liquid hand & body cleanser. From shop to shower, UNIVERSAL does the job quickly and efficiently. UNIVERSAL is tough on grease, oil, tar, dyes and carbon blacks. It removes stubborn stains while leaving skin healthy. UNIVERSAL conditions skin by counteracting the defatting and "burning" properties of liquid detergents.

Perfect for factories, warehouses, industrial plants, garages, municipalities, correctional facilities and anywhere a hand and body cleanser is needed.
